

WUXI SUNMART SCIENCE AND TECHNOLOGY CO., LTD.

(SUNMART GROUP CORPORATION LIMITED)

We are the largest manufacturer in China to produce Fine Mist Spray Pumps, Treatment Pumps, Lotion Pumps, Foaming Pumps, Nasal Sprayers, Tube(oral) Sprayers, Perfume Atomizers, Trigger Sprayers, Cream Jars, Roll-on, Plastic Bottles, Caps and Containers, Plastic Lip Balm Containers, Droppers, Syringes, Combination Spray Units, Aluminium Cans and Caps and Pharmaceutical Glass Bottles, Perfume Glass Bottles and Tubes, which have been designed by our technicians and our customers for exporting. Proudly with ISO 9001:2015, ISO4001:2015, ISO 13485 Certificates and all the materials of our products are approved by SGS(equal to FDA),TUV and CE. Our products are ideally suitable for use in Pharmaceutical, Cosmetical and other personal care products. Our daily output of pumps is more than 3.5 million pieces. We have very wide connections with our customers around the world.

We have the advanced professional group in the research institute center, specializing at developing all molds by using the modernized technology for all our products to meet our customers' requirements.
